ORDER

20-CV-973 (LGS) (JLC)

JAMES L. COTT, United States Magistrate Judge.

By Order of Reference dated July 15, 2020 (Dkt. No. 16), Judge Schofield referred this case to me for settlement. The parties are directed to advise the Court within 30 days when they wish to schedule a settlement conference. The parties should do so by filing a letter-motion on the docket that indicates at least three dates that are mutually convenient for the parties.

Alternatively, counsel are free to e-mail my deputy clerk, David Tam, at David_Tam@nysd.uscourts.gov to find a mutually convenient date for the parties and the Court. Given the state's extension of the current stay-at-home policy in light of the COVID-19 pandemic, any settlement conference in the foreseeable future will likely be conducted telephonically. Using the Court's conference line system, the Court will begin the settlement conference in joint session with all parties on the line before breaking into private session and speaking to the parties individually, as the technology the Court is using can facilitate breakout sessions with each side.

SO ORDERED.

Dated: July 15, 2020
New York, New York

JAMES L. COTT
United States Magistrate Judge
